Drop - In for Brain Injury Survivors is established

On Monday January 30th, the Brain Injury Association of Prince Edward Island in partnership with Murphy Community Centre/Murphy's Pharmacy will be hosting a drop-in once a week.

Murphy's Community Centre is located at 220 Richmond Street, Charlottetown. We see this partnership as being a win/win situation. The work of the Brain Injury Association of Prince Edward Island is in prevention & education while Murphy's Pharmacy also focuses on prevention & education. We feel the Centre is in a good location as well, in the heart of the city but out of the way.
